

## Getting Started with Boardmaker® Plus!

**July 18, 2016**

**8:30 a.m. – 3:00 p.m. (CT)**

**Workshop #132-16**

**GRREC Office and Training Facility • 230 Technology Way • Bowling Green • 42101**

Boardmaker® Plus! is a powerful tool and the premier software for adapting the curriculum for students with moderate and severe disabilities and for making lessons come to life. With Boardmaker® Plus!, teachers have access to more than 4,500 Picture Communication Symbols™ (PCS) in both color and black-and-white, which are supported in 44 languages. It includes over 350 print templates and sample boards, and 600 interactive sample boards to get you started. Teachers can use them as they are, adapt them to their students' needs, or create their own from scratch. Voice, sound, animation and video capabilities of Boardmaker® Plus! help create lively on-screen activities that engage students and make learning fun. Also, activities with Boardmaker® Plus! are switch accessible.

In this training, teachers will learn the following:

- The different types of activities that can be created such as visual schedules, worksheets, quizzes, interactive books, communication books, learning games etc.
- Working with boards and their appearance
- Working with Symbols and Buttons
- Working with Symbolate and paint tools
- Adding symbols and basic button actions
- Creating a main board
- Resources including activities created by others and support in using Boardmaker® Plus!
